JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

and in the manner provided in the preceding portion of this section. Such certificates shall be simultaneously filed with the health officer by the person making application for burial permit.

Each such certificate of death shall be upon a blank obtainable from the office of the health department, and shall state the dates of the physician's attendance on such deceased person, the duration of the disease, and the hour and cause of death, conforming in careful detail to the regulations of the State board of health governing vital statistics.

* * * * *

SEC. 21. Every superintendent or manager, or other person in charge of any hospital or other institution, public or private, to which persons resort for treatment or medical care, shall make a detailed record of all the personal and statistical particulars relative to the inmates of their institutions that are required on the form of death certificate provided for by the State law; and immediately upon the death of any such inmate said data shall be transcribed and placed with the body so as to be made available to the undertaker, who shall file such transcript with the health officer: *Provided, further*, That when a person is brought into the hospital, or like institution, in a state of coma or unconsciousness, or for any other reason beyond the control of the institution the data herein required can not be ascertained, then it shall be the duty of the one in charge of such institution to so certify and leave such certification with the body so as to be made available to the undertaker, who shall file the same with the health officer.

Burial and Transportation of Dead Bodies. (Ord. C1848, Jan. 4, 1915.)

SEC. 19. It shall be unlawful for any person, firm, or corporation, either as undertaker, sexton, or person in charge of a cemetery, or otherwise, to bury, inter, cremate, or deposit in any vault or tomb, or to cause or permit to be buried, interred, cremated, or deposited in any vault or tomb, the body of any deceased human being whose death shall have occurred within the city limits of the city of Spokane without a permit from the health officer so to do.

SEC. 20. It shall be unlawful for any person, firm, or corporation to remove from the limits of the city of Spokane the body of any human being whose death shall have occurred within the limits of said city without a permit therefor from the health officer.

Diphtheria Antitoxin—Sale of. (Ord. C1848, Jan. 4, 1915.)

SEC. 22. No druggist, pharmacist, or other person dealing in diphtheria antitoxin shall sell, deliver, or cause to be sold or delivered any diphtheria antitoxin to any person unless such druggist, pharmacist, or other person dealing in diphtheria antitoxin received from the person purchasing the same the name and address of the person making the purchase, the name and address of the person to whom the diphtheria antitoxin is to be administered, and when sold on prescription or other written order the name of the physician or other person prescribing the same.

SEC. 23. It shall be the duty of all druggists, pharmacists, and other persons engaged in the sale of diphtheria antitoxin, immediately upon the sale of the same, to notify the health officer of the city of Spokane in writing of such sale, giving the name of the person to whom the antitoxin was sold, the name and address of the person to whom it is to be administered, and if sold on prescription or other written order, the name and address of the physician or other person prescribing the same.

SEC. 24. This ordinance shall have no application to sales of diphtheria antitoxin made at wholesale to dealers engaged in the business of retailing the same in the city.
